"WITH THE COLORS"

Monday Aug. 6, 1917

Dear Marie,

Your letter of Friday the third was certainly a gloomy chaser. I did not get one yesterday nor today. I suppose you and Lauretta are on the skip every evening, but don't forget to write and tell me everything — and be sure to keep your diary. I don't care if you do wear your hair up, now. I would like to see you that way.
