"WITH THE COLORS"

(2)

1917

Here's hoping Chicago will not make you forget one whose every thought is of you and you. I am going to keep that Friday letter with me always. It's that thought of you that makes me put in my best licks every minute. I hope I will see you by the end of the month. Every one seems to think we leave for Monmouth, New Jersey about Sept. 15th.
