warded a Second Bil to your Brother M.r William Heysham for £. 12:03: —
Benj.a Bullard & Comp.y payable to you in London —

ot Surprized at what you say of M.r Hutchins, havering experienced him on
ccations, and we believe have hinted something of him to you formerly, let him
say what he pleaseth, wee had rather have his Envy then his Pitty, we know him
t hypocritically false, and therefore could never trust him, we are aware of a Dog
hewes his Teeth, whilst a fawning Curr may bite slighty, for which reason we
your cautionary advice, we have been informed by Several Comanders of vessels by
t Method he hath diverted Business from us, and by others how he hath endeavoured the
ame, but neither the one or the other hath occationd our takeing the least Notice of it to
him,

If our Cousin M.r Ambrose Bolton comes to your, please to discourse him on the Subject Matter
f a Letter we now write him

o ships arived from Lisbon, our friends write us what is discoursed upon this new Warr
at by all they can gather the Portequize designe a Neutrality, and that is all they can
or wee expect, for it is most certaine if they doe concerne on either Side, it will be
the french & Spaniard, Let their Interest be what it will, or we flatter our Selves how
e please, the chiefest Ministers in Portugal being marrried into french familyes —

ase to be mindful of our Bills for Lisbon, that the Mony be remitted in Time, we cannot foresee
t may happen therefore leave it to your prudent Managment —

ope you will have an oppertunity of Sending us the Severall Goods wee wrote for
ne vessel bound home to the West Indies —

ed & Inclosed, & wee shall remaine
