to Kansas City for over Sunday.
I am pretty near broke again
and won't get last month's pay
until September. Blanche
sent me some stamps — will
you feel pained if I pass
some on to you? I don't think
your mother will mind very
much because you spoke on
the stage. Congratulations, etc.
Now you will have to stop
biting your nails.

I got Vera's card alright.
and yours too, today. Did

Lawetta get my letter?
Be sure to tell me soon enough
when you leave Chi. so
none of my letters will go
there after you're gone.

Yours,
Forrest.
