1 Case q^t 12 Ivory Hafted knives

Its probable these small Things may be too much trouble to you, as wee find, by your not sending us what wee desired under the 31th. January, which reached your hands —

Wee must advertize you that your Packer doe not make one p^t of Bays a Rapper in each Bale as hee did the last, where it came almost spoyled, they were the first that came to us in that Manner —

Likewise that the Sayes must be fine, and not of the large thick Says of the new Fabrick wch are not soe vendable here, wee desire you wil please to mind it, & that wee may have all wee write for, for these People are soe much Humourist, that they always say when any thing is wanting to compleate the Parcel, that it is That wch they most needed —

Wee are
