I have written Ab Hinshaw and Reeves Peters about working the K. U.-Washburn game on December 16. Mr. Hinshaw wrote me a few days ago saying that he would be able to work the game. I have not heard from Reeves Peters yet but as soon as I do, I will let you know his reply.

Dear Dee:

I have just heard from John Wulf in regard to working our game on December 16, and he says that he would be mighty glad to work this game as the date would fit in with his weekly schedule at the Kansas City office; however, their annual sales conference will be in session just at that time, and he will necessarily have to be in Chicago.

When you first mentioned Ab Hinshaw I wrote him, and since he moved to Chicago I thought possibly he could not be here for any games. However, I have just received a letter from him saying that he will be glad to work the Washburn game, and that due to the last crack-up of the United he will be around this part of the country.

As soon as I hear from you I will write Hinshaw.

Sincerely yours,

Dear Dee:

Utah foodled and fuddled along, so we are not playing them. I think we had better go ahead and keep out date with you on January 4th, playing here at Lawrence.

Thank you for sending me your schedule. I do appreciate your being willing to help us, but we shall keep to our original date.

Your suggestion of changing our date from January 4 to January 24, 25,26, 27, or 28 would be absolutely impossible as our faculty will not O. K. a basketball game during the final examinations. I have looked over my schedule very closely and have been unable to find another suitable date for which I am very sorry. I will be glad to consider any suggestions that you might make.

Answering your favor of the 27th instant I assure you that it is perfectly all right to keep the game December 16 at Topeka. I understand your difficulty.

I was informed the other day that John Wulf was leaving Kansas City for Chicago. I will write him, however, and find out the date he expects to leave, and if he can work for us I will be very happy to have him.

I would choose Ted O'Sullivan or Reeves Peters from the list you submit. I will let you hear definitely as soon as I have word from them.

Dear Dr. Allen:

I will be glad to O. K. E. C. Quigley and his son Heinie for our game January 4 at Lawrence. ✓

As to changing our game at Topeka from December 16 to December 7, 8, or 9, that is almost impossible as I have promised the boys practice games with another school at that time. I am sorry that we can not make this shift.

For officials for our game December 16, I would suggest the following from which please O. K. the two you would like to have work the game: Parke Carroll, John Wolfe, Reeves Peters, Claude Cochrane, Gene Johnson, Ted O'Sullivan.

Hoping we can agree on a couple of the above mentioned, I am

Sincerely yours,

Dear John:

Dee Errickson and I have agreed upon you to officiate our game December 16 at Topeka between Washburn and the University of Kansas. Will you be able to serve?

Dear Dee:

I find from Ernie Quigley that he cannot work the 16th at Washburn and that Ab Hinshaw is leaving these parts for Chicago.

I am wondering if the 8th or 9th of December at Topeka would suit you. In your letter of August 2 you stated that you could play at Lawrence on December 7 or 8. I wonder if you could play at Topeka on the 8th or 9th.

We are playing Ottawa at Lawrence on the 7th, and if we could play you on the 8th or 9th at Topeka we could then arrange to have Quig work the game.

By the way, Dee, why not use Ernie Quigley's son, Heinie, with him at both places. The father, you know, generally dominates whoever works a game with him anyhow, and by using the father and son they would work both the A and B games for the price of one. Why not be Scotch and try this out? Will you let me hear from you at your earliest convenience?

Sincerely yours,

Dear Dee:

We are agreed on Mr. Quigley as the No. 1 G-Man for basketball. G is for Go.

Since John Wolf is a Kansas man I imagine we will disqualify him. Ab Hinshaw would be my choice as Mr. Quigley's partner.

If you do not object to using John Wolf or Ab Hinshaw, either one would be satisfactory. If quite agreeable to you we will use the same pair down here.

I am like you are in that I like Mr. Quigley very much so if you will suggest one other from the list mentioned, I will get in touch with them right away.

Dear Dee:

I wrote you the other day about Quigley and another man to work with him. I thought it well to follow this up with a suggestion that before we hire any of these fellows I am wondering if we couldn't say that since these are pre-season games we would like for them to work both games at the same price since the gate receipts will, of course, not be large.

I believe if it is put up to them in that manner they will be willing to do it on a good-fellowship basis. What do you think?

Dear Dee:

You know, Dee, I would feel a lot better if you would suggest in the order of preference the basketball officials that you would like to use in the Washburn-Kansas games.

The reason that I am saying this, Dee, is that last year I made some suggestions and I rather had a notion that you would have been more comfortable if you had been free to make your own selection.

Why would it not be a good thing to use the same officials at both places, on Dec. 16 at Topeka, and on Jan. 4 at Lawrence?

I assure you that any list you submit will be kept entirely confidential. Personally, you know that I like Quig. I am wondering if we need two officials for these games. If you think it best, I will be glad to acquiesce. I agree with you that the individuals should officiate both the "A" and "B" games.

Dear Dee:

I wonder if it would be possible for you to play us at Topeka on the night of December 21, instead of December 16.

Morningside College, of Sioux City, Iowa, wants to come here on December 16 for a game, and since Lawrence and Topeka are so close I thought we could easily make whatever shifts are necessary.

We would like to play you at Lawrence January 4. Will you kindly let me know if December 21 at Topeka would be satisfactory?

What do you think of the idea of playing both "A" and "B" games each night we play. We could have the varsity game first, then have the freshmen or "B" teams play a second game. Let me know your reaction to this suggestion.

Dear Dee:

In my letter of August 12 I promised you that I would write you and give you dates when I returned to Lawrence.

I am corresponding with Don Cooper, of Southwestern. I told him that I would like to play both Southwestern and Washburn in Lawrence the week beginning December 13. Our Christmas vacation begins on the night of the 17th. Therefore, I would like to play you on the 16th, if possible.

However, if I find that Cooper cannot come the first part of the week and if he could only make it the last part of the week, I would like to play you on the 14th. Please reserve the 14th and 16th at Lawrence until I can hear from Don Cooper.

For the game at Topeka, it may be that we can play you on January 4th. I would kindly ask you to hold the date of the 4th until I have word from a team that was planning to play us on the 4th here in Lawrence. They are travelling through and I have no definite word from them as yet. We open here in Lawrence with Oklahoma on January 7th.

I will try to get this information in the course of a week or ten days. We are playing Missouri at Columbia on January 19, so of course the 18th and 19th would be out.

Perhaps is none of these dates for the game in Topeka can be worked out we can get together on some other date. I am sending you our Big Six schedule, and perhaps after looking this over you can plan on some satisfactory date. I am hoping, however, that the 4th will work out at Topeka.

#2 - Mr. Dee Errickson.

You will understand that these dates must be confirmed by Gwinn Henry, Director of Athletics, and the Athletic Board, but I am endeavoring to get the dates tentatively scheduled so that they may be approved by them.

Mr. Gwinn Henry,
Director of Athletics,
University of Kansas.

Dear Mr. Henry:

I am submitting for your consideration the approval of some tentative basketball games that we are desirous of playing:

Dec. 6, Doane College, at Lawrence,
guarantee, $80
Dec. 7, Ottawa University, at Lawrence,
guarantee, $35
Dec. 10, Ottawa University, at Ottawa,
guarantee, $35
Dec. 14, Southwestern College, at Lawrence,
guarantee, $100
Dec. 16, 17, or 18, Washburn College, at
Topeka, $200 with option
Dec. 23, Southwestern College, at Winfield,
guarantee, $300 with option
Dec. 29, Drake University, at Des Moines
guarantee, $400
Jan. 3 or 4, Washburn College, at Lawrence
guarantee, $200 with option
Jan. 3 or 4, University of Utah, at Lawrence
guarantee, $150.

You will observe that all of these games are played either during the Christmas vacation, or are short hauls with Kansas always having the financial advantage. I have viewed it from the standpoint that when the Kansas team plays away from here they are the attraction and should receive more money than the smaller schools would receive here.

Further, the Athletic Board gave permission to play "B" teams in basketball. We are desirous of playing some of these smaller colleges with our "B" team.

#2 - Mr. Gwinn Henry:

You can rest assured that we will at all times keep within our financial budget.

We are communicating with the University of Utah for a game here on January 3 or 4, but have made them a guarantee of only $150. We are not at all sure that they will accept it.

The Big Six schedule, of course, was approved some time ago.

Sincerely yours,

FCA:AH

Director of Physical Education.
