Dear Pete:

The only non-conference game that we have scheduled at the present time is with the University of Iowa, which is at Lawrence on December 21. I doubt if Rollie Williams will be agreeable to using you as he is rather careful to pick some fellow who is supposed to be a stand-out in the conference.

We may play Creighton University, of Omaha, here and if you could get Eddie Hickey to agree on you that would be fine. But again it will be about the same situation when we meet those fellows and the Oklahoma Aggies. Have you ever worked for Hank Iba? If so, let me know and I will see if any of these fellows would agree upon you.

We are not playing many set ups and they are mostly tough teams, so I don't know whether I can help you out much or not, but I will at the first opportunity.

With all good wishes, I am

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
