Dear Dr. Allen:

Verifying our conversation, we have definitely scheduled you to address the Iola Kiwanis club on the evening of June 20. We have advised them of your acceptance and the general nature of your subject.

Mr. Clifton Cornwell
Director of Bureau of Alumni Activities
State Teachers College
Kirksville, Missouri

Dear Mr. Cornwell:

I have just returned from Kentucky where I find your letter of the sixth instant waiting. Our game with Kansas State is at Manhattan on October 26, but I can make arrangements to be with you on that date, if you so desire.

I am speaking in Ohio on a couple of occasions and several other neighboring states, and for these engagements they are paying me $50.00. I have always followed the policy of living and letting live. I want you to be perfectly frank and tell me what you feel your school and your association can pay. Doubtless you have arranged for your football officials for that day. For years I have been officiating at football and basketball games and followed the rules very closely, and if this would help in the expense item I would be glad to serve, if it is agreeable.

I assure you it would be a delight to me to meet many of the old acquaintances that I came in contact with some nearly thirty years ago.

I will be happy to have your reply.

Very cordially yours,

Director of Physical Education and Recreation

Dear Miss Chapman:

I regret that I have not answered your letter of the 24th instant sooner. My schedule has been such that it has prohibited me from answering my mail as I would like.

This letter confirms our telephone conversation of yesterday morning, and I regret exceedingly that I will not be able to be with you on March 7th. I regret further that since all of our coaches are desirous of witnessing the Kansas-Oklahoma game on that date, that they will be unable to serve you.

Will you kindly convey my congratulations to all of your lettermen upon their achievement. I trust that you will have an enjoyable and worthwhile banquet.

Sincerely yours,

Dear Sir:

We are having an all Lettermen Banquet at our school the evening of March 7. We would like to engage you as our guest speaker if possible. We are not having a long program so if you wish, your speech need not exceed twenty minutes.

We understand that your fee is six cents per mile. Is that true for all your speaking engagements? We would appreciate hearing immediately that you are available on March 7.

If you are engaged at that time, could you recommend another speaker?

Yours truly,

Dear Dr. Allen:-

The Co-operative Club of Topeka, of which the writer is the Chairman of the Entertainment Committee, is holding a Father and Sons night on Tuesday, November 12th.

We would greatly appreciate it if you could appear before our Club on this night and favor us with a talk on "College Athletics," or whatever subject you choose.

This is our regular meeting night and is to be held in the Florentine Room of the Jayhawk Hotel at 6:30.

Realizing you are busy and with perhaps a million things to do, if you find you will not be able to accept this invitation, would it be possible to get someone from the Athletic Department to appear before our Club on the night of November 12.

Trusting you will find it convenient to accept this invitation, and for any expenses incurred in making this trip, we will be glad to reimburse you.

Dear Mr. Collett:

Your good letter of the fourteenth instant has been received and I will be happy to be with you on Tuesday, December 3. I will plan to get there in ample time so that I can meet some of you gentlemen before the banquet starts. Will you kindly assure President Dale D. Deweese of the fact that I will be there?

The fact that you have had Quigley, Ahearn, and Vic Hurt is assurance of the fact that I will have to throw myself into high gear to compete with these eight-cylinder machines.

We are very proud of the fact that we will have four Wellington boys on our K. U. squad next year, and we are counting on their strength to improve our football team. Certainly Wellington High has done a great job this year.

K·U· "STAG PARTY"

Not in years have K.U. alumni in Kansas City had a meeting like this one! A good, old-time "Stag Party" .... on the eve of the final game of the K.U. football season! (Kansas vs. Colorado State in Lawrence, November 28th --- Kansas Thanksgiving Day).

Heading our guest list will be Chancellor Deane Malott. This meeting will be our first official welcome to him! Accompanying the Chancellor will be the University's entire coaching staff --- football, basketball and track --- and our guess is that we'll get (and give!) an earful on the subject: "K.U. Football".

There'll be music! .... songs! .... Rock Chalks aplenty! .... and rousing good-fellowship! And refreshments and smokes! No advance reservations are necessary --- but be on time at 8:00 p.m., because you'll miss it if you miss it!

This list of University of Kansas faculty members is available for commencement addresses. Please make your selections as early as possible, so that you may be sure to secure the speaker you desire. Indicate a first, second, and third choice.

If it is possible to shift your commencement date a day in either direction in order to secure your first or second choice, please mention the fact in your letter.

If you have no special choice of speaker, we can probably reduce the traveling expenses by suggesting a speaker who will be in your vicinity.

The fee and expenses in each case will need to be arranged with the speaker and will depend upon other engagements which are arranged hereby. This is true since, in many cases, the major expense is a matter of transportation. Will you, therefore, indicate the fee you have available. This should include expenses.

Faith of our fathers! living still

And through the truth that comes from God
Mankind shall then be truly free.
Faith of our fathers, holy faith!
We will be true to thee till death.

Faith of our fathers! we will love
Both friend and foe in all our strife,
And preach thee, too, as love knows how
By kindly words and virtuous life:
Faith of our fathers, holy faith!
We will be true to thee till death.

Dear Mr. Cornwell:

Thank you very much for your very good special delivery letter of October 7, in which you sent me full information on the homecoming. I am very sure that this material will be sufficient for me in working out what I have to say. I thank you very much.

Mrs. Allen is expecting to accompany me. We will be very happy to be your guests. She received the formal invitation the other day.

Thirty minutes is ample time to do the job; in fact, someone has said that no one is converted after twenty minutes of preaching, so that gives me ten more minutes. Since I have read Dale Carnegie, I will know "how to lose friends and influence people". This is the reverse angle of Dale's and I hope it will not work that way.

Very cordially yours,

Dear Old Bulldog:

Here comes the announcement of that HOME-COMING that so many of you declared last year you would help Blue Key make bigger and better than ever, if we could but shift the time to Saturday.

SATURDAY, OCTOBER 26, IT IS.

That was a great meeting last year, probably one of those never-again gatherings with "Curly" and so many of the old crowd. This year's reunion will certainly be of that nature, because along with our returning for football, visiting, and seeing the changes that have come to make the OLD SCHOOL a power for twice the student body of former years, we also come to dedicate the JOHN R. KIRK MEMORIAL.

We come to dedicate one of the most beautiful college buildings in America to the memory of the man who bred and trained the Bulldogs and created for us the famous BULLDOG SPIRIT that comes to dominate our college life and all of our activities when the campus days are history.

THE PROGRAM

10:00 General Assembly and Dedication

12:00 Informal Luncheons

1:30 Parade

2:00 The Bulldogs vs. Iowa Wesleyan

6:00 Home-Coming Banquet

9:00 Home-Coming Dance

Just as before, Blue Key has arranged a schedule of activities such as to give plenty of time for visiting, football, and seeking out old haunts and old companions. And, unless you want to, you won't have to make speeches.

You will want to come early for the speeches at the Dedication by Dean William H. Zeigel and J. C. Williams.

You will want to see and hear a Karl Webb band that's bigger and finer than ever.

You will want to gather with us at the banquet to break bread again with kindred spirits and hear that peerless orator on things athletic, Dr. Forrest C. "Phog" Allen, Director of Athletics, University of Kansas.

WRITE ME AT ONCE ON THE ENCLOSED CARD TELLING ME THAT YOU WILL BE HERE AND HOW MANY BANQUET TICKETS YOU WILL WANT.

HOMECOMING PLANNED FOR COLLEGE HERE

K.S.T.C. Celebration Includes Dedication of Kirk Memorial

(Copied from Kirksville Daily Express, September 18, 1940)

A homecoming deluxe is being planned for the second annual homecoming of the Teachers College here to be held on Oct. 26. Included in the highlights for the day's program will be the dedication of the John R. Kirk Memorial building, a parade of floats, football game between the Kirksville Bulldogs and Iowa Wesleyan College, homecoming banquet and ball.

Forrest C. "Phog" Allen, director of athletics at the University of Kansas and foremost basketball coach and authority of the country, will be featured as speaker at the banquet. William H. Ziegel, dean of the Delta State Teachers College, Cleveland, Miss., and J. C. Williams, of Chicago, Ill., will be featured on the dedication program for the Kirk Memorial.

The general homecoming plans are sponsored by the Blue Key, service organization on the campus, which sponsored the first annual homecoming last fall.

The general program for the day opens at 10 o'clock when the dedication services will be held. Judge J. A. Cooley, president of the Board of Regents, will preside over this section of the day's activities.

Dean Williams served as dean here under Dr. John R. Kirk, late president of the college here. Williams, a graduate of the school here and a classmate of Dr. Walter H. Ryle, president of the school, has been teaching for a number of years in a large high school in Chicago. Williams has been active in the drive for funds for the memorial, and was in charge of two banquets in Chicago, which were in the interest of the drive.

Dr. P. O. Selby, of the faculty at the Teachers College, will be on the morning program to give a history of the Kirk Memorial.

The noon hour will be devoted to informal luncheons by various groups, and it is expected that different student organizations will make plans for entertaining old members during the day.

A parade of floats, which was one of the features of last year's gathering, will open at 1:30 o'clock. Student groups are planning elaborate floats to enter in competition for a loving cup. The homecoming queen is to be selected and will be crowned on the field just before the game.

The Kirksville-Iowa Wesleyan game is to begin at 2 o'clock.

The homecoming banquet is scheduled for 6 o'clock at the Travelers Hotel and the ball will follow at 9 o'clock in the Kirk Auditorium.

Music will be furnished during the day by the marching band of the Teachers college, one of the largest in the history of the institution, and by other groups. Prof. J. L. Biggerstaff is striving to arrange a program of music which will feature musicians who were connected in some manner with the school during the life of Dr. Kirk.

A large oil painting of Dr. Kirk is being painted and Pres. Ryle said this morning that he hoped that the picture would be finished in time to be unveiled during the ceremonies.

REVISED
