541 Kenwood Ave.,
Dayton, Ohio.

Dear Jack:

It was a swell letter that you wrote on the 29th, and I enjoyed reading it immensely. I am going to use a part of your letter in the next Jayhawk Rebounds. I think this is wonderful stuff to pass on to our boys.

Some time I am going to write you a longer letter, but this is just to let you know that Rotary is moving along in good shape and missing you like everything. We will certainly be happy to have you back, Jocko, - when and if.

I am happy that all goes well with you. Give Ruth our very best, and tell her we are pulling to have the Andrews back in our midst at an early date. I certainly will not forget at the next Rotary meeting, which is on September 13, to convey your wishes to everyone of the "Rotes". We are having no meeting Labor Day. But we are doing quite well, Jack, trying to keep to the pattern you set for us when you were the boss.

With every good wish, I am

Fraternally yours,

Director of Physical Education,
Varsity Basketball Coach.
