Mr. L. I. Cushenbery
Attorney at Law
Medicine Lodge, Kansas

Dear Friend Cushenbery:

I certainly appreciate the old adage that "A friend in need is a friend indeed." You certainly were both, wrapped up in one courteous package. I want to thank you for saving my life in providing me with a handy and a convenient place to shave.

It was good to have a visit with you and to exchange pleasant greetings regarding old friendships as well as new ones. If you will kindly write me the letter that we discussed last night I will follow through immediately. I appreciate your interest and it will be a pleasure to visit with you when we see each other again.

I am writing Mary this morning asking her to recall "Nee High." Tell your wife that I am not becoming familiar, but just recalling to Mary the pleasantries of some of our early days.

When I see Harry K. and Florence, I will tell them about the pleasant visit I had with you in Medicine Lodge.

With all good wishes, I am,

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach
