September 14, 1937.

Mr. Ernie Cooper, President,
Lees Summit Bank,
Lees Summit, Missouri.

Dear Ernie:

I was sorry when I failed to see you when you stopped at my office. I certainly would liked to have said "Hello" to you.

Willis Browning with his family stopped by the home last Sunday and we had a fine visit. He has a fine pair of good-looking twins. In fact, my young son had a date with one of the girls Sunday night. It seemed like old days, harking back to thirty years ago when Willis and I were both young and were dating at that time.

Come over again, Ernie, when you can.

Ad Lindsey tells me that Jack Hall is doing splendidly. I am very proud of him and am hoping he makes a fine record here.

With every good wish, I am

Sincerely yours,

FCA:AH

Director of Physical Education.
