Messrs. Robert and Wm. Heysham Madeira May 24th 1707

Gentlm.

We are now att the 24 instant confirming the aforegoeing to be copie of our Last this goes p.r the maryratt Galley Capt. Fares on whome we have shipped you 40 hd.s and 4 qr.s Clarke Mam.a 1 Box Succatt and one Roof of Deiw ars sorte of swet meats and a small Barill with Cittran flowers Covered w.th Brandye to Presarve them the Cittran are not com in Loe Could not send you any wilings if any opp.t happnes att the Time when they are Come in Shall take Care to send you som as formarliy ordared inclosed goes invoyce of the sevrall Parcyalls of Mam.a Succat &c.a amounting to [illegible] ll.s as allso copyes of the invoyce of the wines p.r Barrow Bulcock and Carter which after Examination you find Right Pray note them in confirmetty with us the Cost of the Gunns our W.m advis is us that he Plased itt to our Debt the 50 Bundalls off hoops we tooke out Bulcock shall Be Caryed to y.r Creditt But the price you put onthem was Extrordnarye we nevar y.et Game the Like sinc we knew the Island nor hope nevor shall againe itt is true the Carrad is but small and Therfore is not worth Disputing off But hope you will Consider off itt for we Did not Take them ashore for the Grate accation we had for them for in the Fleet had Sevrall Carralls But find y.t you Expected that Capt. Barow Could have taken in more y.n 300 p.s made unwilling to ship som on Capt. Bullcock in copye we advised you the quantitty, Both this Fleets mought Carye with the men of warr tooke in a grate quantittye the Major Parte of the Rest went for B.B.s to the Lew ward Island and Jm.a But few supose the ordars for Thos Islands are to Com in the other Fleet that are Expected and for Jm.a we are Expecting the union Frigatt Capt. Barows and the Ihyar Frigatt Capt. Woadland are Both Expected from Lix.a to Lode for s.d Island your wheat Goes off Butt very Slowly since otherwis Com.d in By reson of the Excessiff mustynes and the Bad Breditt makes tho the Grame to Cooke att apers as fine to the Eay as Ever we saw we can not tell the reson off itt Except it was Raped in Rainye wethar we are afraid we shall be for s.d to Wash it out ~~[illegible]~~ for Genury shall Doe the Best we Can for you the wethar is very seasnoble for the Countrye and the vines now in Blosom we wish for no Raine till the Grapes are knitt which will be in all the next month the Least wett wethar att this Time would Carye away a grate Deall of wine But we
