advised w^t Evor pass for your Gouarment we shall Evor Be bound to
acknowledge the Favor you were Pleased to Doe us about Mr Corlatts
Bills which we take notice you had made Good to our WB the Last year
Capt John Smith wch Came to our Island Bound Down to B.A.^s we Printed
him for 300 — By the Recomandation of a person who thought Mought
have Confidance in for which Sum Capt Smith Gave us his Bill on Mr
John Lowdon and Mr Ebnezar Corr and Co. which our WB advis us will
not be Excepted for By Barrow we sent the 3 via of his Bills Down to
Mr^y Corlatt Robt Dwethar with our Power of Attorney Praying
of Them the Favor to Recomandar it of him and Being intimate with
the Govr acquainted him of it who voluntarly Promised us all the assis-
ance that Lay in his power and ordered us to Tell our Frind w^t he had Promised
us and Like wise ap Lye Them Letters to him and they should find Much
adres and if it was not too much as we thought Reasonably Expect
that the Fault should not be his now^t we wo^d Crave the Favor of y^o is
to Mention the Thing to Them which wold make them more valiant
and Stering in it for which we shall Be still further obliged to y^o
since our Last we Dear from any Plac nor non Said but will all
be Redy Except the Barke which we understand is designed for y^r Pitty

Gentlemen Madeira y^d 18th June 1707 @

The foregoing was the 24th ultimo
by the Margarett Gally, who went Hence wth a faire
wind wch lasted some dayes wch we hope Lett her Pretty
forward in her way Home where we wish her safe to arrive
& the mam^a Prove to Content Inclosed we send you
the Second Bill of Loading & Copy of the Invoyce

We have begun our Harvest in Parts a bout ye Citty, & in a
few dayes will in other parts farther remoate, tho y^t the
Sale for foreigne Come is neare over for these Sum^r mos.
till the natives have Expended their owne Croops, we
shall loose noe opperteunity in the Sale But shall be forced
to goe trusting it out for the next yeare, for the State
of our Island is such that nothing sells for money y^t
is any thing Considerable, little money being in y^e
Island, & y^t daly decreasing tho y^t you are woonder
fully mistaken to think your wheat would make
money, as yett we have not made 150^l in money — nor
doe we Expect shall Now any more, tho y^t you Cant believe
we can be able to make your good y^t wheate now out
of the Cost of these wines, yet may depend we shall not
drive you to Supply us wth more Bill in Lib^s y^t w^t
our meare necessity obliges us to, for we ever studyed
to make you as Easie as we Could in that as well as all
other Points. but of y^t more Hereafter as opperteunity
shall offer, in the interim Suppose m^r Hepney will have
y^t Need full orders as usuall.

The Weather Continues faire for Both the Harvest
as well as the vintage, & we hope it is likely to Continue
from the wettern Islands we have advice of a Plentifull
Harvest tho y^t we believe Come will decline in Price
Porta Santa Computed to have upwards of 250^m! wheat
& 12000 Mo^is of Barley

Noe ship has bin dispacht since our Last but we have
now in Port wch is since arrived Capt Owen Phillips in
a Brig^t from Rood Island & two Sloopes from ditto w^th
wth Pipe staves, Traine Oyle, & Raculhaff, one of the
latter returnes the other two Proceeds for the Islands
