Mes.rs Robert & William Heysham Madeira 10 June 1702

Gentl.m

The foregoeing was the 24 ultimo p the margratt gally who went hence with a fire wind which Lasted somd ayes which we hope Lett her pritty forward in her way home which we wish her safe to arrive and the Manifestos prove to Contents inclosed we send you the second Bill of Loading and Duplicate of the invoyce we have Begun our harvist in parts aboute the Citye and in a few Dayes will in othar parts further Remoat soe the Saile for foreigne Corne is near onar for thear summer mo.s till yd. natives have Expended theire owne Crops we Shall Roo.s noe opertunitty in the saill Butt shall be forced to goe Trustinigitt oute for the next year for the State of our Island is such thatt noe thing sells for money thatt is any thing Considrable little money Being in the Island and thatt daley decreasing soe thatt you are wondarfully mistaken to thinke thatt your wheatt wold make money as yat we have not made 150 Dood.s in money nor doe we Expect shall now any more soe thatt we Canot beline we Canott make you good your wheatt now oute of the Cost of Thesw es you may Depend we shall not Desire you to suplye us with more Bills in Lin then wheatt our mearnesesitys obliges us to for we Evor studyed to make you as Easie as we Could in thatt as well as all othar poyents Butt of this more hear after as opp.t shall offar in the interim supos Mr. Stepney will have the needfull ordars as mall

The wethar Continues fare for both the Harvist as well as the vintyd and we hope it is Likely to Continue from the western Island we have advice off a plenty full fruit soe thatt we Deline Corne will Decline in price porta San.to Computed to have upwards of 250 M.rs wheatt and 1200 M.rs Barley —

Noe ship has Bine Dispacht since our Last but we have now in porte which has since arrived Cap.t Owen Philips in a Brig.t from Road Island, and two sloops from Do. and Bechalrao one of the Lattar Ritturns the othar two Proceeds to the Islands to Load Corne the Madeira Gally from amg Belonging to this island and the Neptune Cap.t Millar from Glasco Belonging the India Coff thatt place Bound to Battavia she Takes in Coppies wine and will saile in a day or two sevrall ships appear of yesterday off the west End of this Island Butt stud away to Lea we supos they wear the Dutch Caracaw men we have nothing further att present worth y.r notice Butt Remeaine with Due Respects —

We have Bine Expecting the Invoyce of the Longe Ells p Grispin which as yat we we heave not had tho have wrot to our Mr. Bolton sevrall times about it the hope by the ships Expected y.o will send them us othar wayes Canott make up Acc.t with the people hear nor send you y.r acc.t Curantt —

Gentlemen —

We are now at the 29.th June Confirm.g the foregoeing to w.ch have little to add nothing since materiall having occurred only the arrivall of a small sloope from New yorke w.th Pipe staves w.th returned, & since noe vessell dispacht Except the road Island Sloope, therett are still here, We thought the India man would have gon before Now but find they are in noe great Hastt having already lost their Passage for y.e season

verte

for some dayes Past we have had some showers of Raine wch has fell & done some Damage to the vines that are not yett out of flower, it still remaines over Cast but hope it will pass over wth out doeing more Damage, if it dont it will be very Prejudiciall to the vintage in lessening the quantity the Sale of Forcigne Corne is mostly over for the Past till the new Croop is Expended, a great Deale of y^r wheate still remaines by us notwithstanding our trusting it but on secrets for next year's Paym^t we shall slip not opportunity y^t may offer for itt sale, We have by y^r Conveyance hinted to Mr Heyney that we should be obliged to Pass some bills on him in oct^r for y^r acc^ts wch told him he would have orders from you to accept but did not mention any sum by reason were willing to see w^t could make of y^r wheate between y^r & y^ne We Extremly want the Invoyce of the Long Ells & Crepin We are wth the hardest of our best Service

Sirs

y^r most Hum^ble Serv^ts

Bolton, Darell & Morgan

for some dayes Past we
has fell & done some D
out of Flower, it Will
passed w.th out doing
very Prejudiciall
the Sale of Foreign
tow the new Croo
Will remaines by us
secrets for next yea
y.t may offer for
hinted to M
some bills
have orders
num.b by reas
wheate
of the Lon
our best.
