Coaches Praise N. U. SCHOOL

Thoroughly enjoyed and profited greatly from school last summer. I think you have the ideal setup in Coaching Schools, conducting it in conjunction with the All-Star football practice. I am planning on being with you again this summer.

C. W. Hubbard
University of Denver

No other school in the country offers equal opportunity to study football under the nation's leading coaches and at the same time watch great coaches groom a team for the All Star-Professional game. Certainly the recreation organized for the coach and his family is unexcelled.

Forrest W. England
Moroa, Ill., High School

I have attended 10 other schools and can say that Northwestern's Coaching school was the finest and most beneficial I ever attended. Ideas and procedures have been highly useful in my work. Looking forward to returning.

L. W. Parson
Athletic Director, Hopewell (Va.) H. S.

Conducted just before the start of practice, the Northwestern school is a great help in planning and organizing your program. The opportunity to associate with a large number of coaches from all parts of the country is beneficial to young coaches.

Don Heap
Football Coach, Illinois Wesleyan

My stay at Northwestern was most pleasant and profitable. Informal classes add warmth and hospitality to the atmosphere. School provides fine opportunity to exchange ideas with coaches from different sections of the country. Presence of All-Star squad is a valuable source of information for visiting coaches. Hope to be with you again.

Thomas W. O'Connor
Medford (Mass.) High School

Have attended Northwestern Coaching School for past three years and for the past seven years one of our coaches has been in attendance there. We regard the Northwestern school as TOPS in the nation.

Pete Cawthon
Texas Technological College

Northwestern's 1939 Coaching School spelled "Conference Champions" for my football team. The Waldorf, Ingwersen, Snavely combination was just too much for our opponents. Hope to be with you again.

Reuben S. Turner
Leland College, Baker, La.
