Mr. J. Lee Livingston,
Miller High School,
Miller, Mo.

Dear Mr. Livingston:

This will acknowledge your favor of May 6th.

I am planning to write a book this summer and take some basket ball movies. For that reason I am leaving my summer free.

However, I do have one school scheduled at Sam Houston St. Teachers College, Huntsville, Texas from July 12th to 18th. I do not know who is in charge of the football.

I am really staying out of the coaching school field this summer. This movie which I am to make is a silent teaching film and am not publishing a thing regarding it, as I am doing it for another company and not promoting it myself. When it is finished I think it will be a good reel for every high school to have.

There are several good coaching schools in this section of the country, - one at Northwestern University, another at Lubbock, Texas and the Kansas State High School Coaching School at Topeka, Kansas with Mr. E.A. Thomas as Director. All of these schools will offer both basket ball and football. Out of this group I trust you may get what you want.

With best wishes, I am

Sincerely yours,

Director.
