(Announcement for School of Education Bulletin)

The Department of Physical Education will offer four courses in the 1939 Summer Session. These courses are as follows:

100. Principles of Community Recreation, 3 hrs.

200. Theory and Practice of Athletic Training, 3 hrs.

300. Special Problems, 204 hrs.

312. Seminar in Physical Education, 3 hrs.

Dr. Forrest C. Allen, chairman of the department, will give the courses in Community Recreation and Theory and Practice of Athletic Training, and Dr. E. R. Elbel will offer the courses in Special Problems and Seminar. Graduate students desiring to do summer work are showing much interest in these offerings. Last summer, in the course Tests and Measurements in Physical Education, the first graduate course offered by the department, there were eight graduate students enrolled. Dr. V. W. Lapp taught this course.

The department is endeavoring to establish a well-planned program leading to the combined master's degree in Education and Physical Education. During the present semester three students are working on this degree.
