Mr. Bill Fitzgerald,
Radio Station KCKN,
Kansas City, Kansas.

Dear Bill:

It was a great pleasure to hear from you and to know that you are doing such interesting work. I have liked you, Bill, from the time you first came to school. It has always been a pleasure to work with you. You have been cooperative, courteous, and you always seemed to have a "nose for news". Any way in which I can help you at any time will be a pleasure.

Last summer Dick LaBan came in and asked me for some letters of introduction, and I gave him several, among them one to Warren Woody, of Chicago. Dick says he looked all over the country for a job, and finally turned up with Woody's company, the Equitable Life Insurance Company. He is in Washington, D. C. at present for a training period.

Glad to know that you see Sully occationally. He's a great guy. You and Sully should team together - Sully to be the personnel manager and you to put over the publicity. The two of you ought to go places.

If you get over to Lawrence for the George Washington game we will be glad to see you.

With best wishes for your continued success, I am

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
