Dear Karl,

I confess my shortcomings and the confession is in regard to my promise to you that I would call Professor OBrien and see that you were informed of the meeting of the education faculty when Fred Kelly spoke to them. I made the notation on a slip of paper and put it in my pocket and I was very sure that I was going to take note of this and phone Professor OBrien, but I failed to do it and this is why that doubtless you received a call. I am very sorry about it, but I want you to know that the reason you didn't hear about it was on my account of my failure to follow through.

Sincerely,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach
