Doctor Allen:

Dear Doctor:

One hour after I talked to you, the fellows who sponsor the Parks Basket-ball team decided to take Coach Fitz Dennott of O.U. as coach and trainer.

I will come up and start next Monday if it is all right with you, if it is not send me a wire to Mrs Leo Burke, 1729 N.W. 7th Okla. City. If I do not hear from you I will be there Sunday night or Monday morning.

I am sorry that I can not make my plans work out satisfactory and have to bother you so much.

Very Resp.
