Mrs. J. W. Hallberg,
3130 Karnes,
Kansas City, Mo.

Dear Mrs. Hallberg:

I have just talked to Curvin Greene, and he mentioned that he has noticed when John reads he gets his face exceedingly close to the reading matter. I am wondering if it might not be well to have his eyes examined.

John has done fine work this year and we are very well pleased with his achievements, both academically and athletically. Of course, his size and his youth have made him a little less agile than some of the boys, but he has improved tremendously, and I am sure that he will make a great record here at the University. I am very fond of John and want to help him in any way I can.

With best wishes to you and Dr. Hallberg, I am

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
