Dear "Cap":

In your letter of June 15 you mentioned that you had some new Drivers and Brassies at $1.25 each in clubs of good quality.

I wonder if you could send us a dozen of these clubs for our inspection. We are desirous of providing a driving range for our Summer Session students, which we hope to open up next week. I would like very much to make a selection of these clubs before purchasing the, and if you could send some for inspection I would appreciate it.

Very sincerely yours,

Director of Summer Recreation.
