April 5, 1938.

Mr. William Mifflin,
Supervisor of Physical Education,
Coffeyville Public Schools,
Coffeyville, Kansas.

Dear Mr. Mifflin:

At Dr. Allen's request I am sending you a set of our radio programs, "Physical Education for Health". Dr. Allen is in Chicago this week, but he asked that I send these to you, calling your attention especially to the interview on March 17 regarding the Kansas Health and Physical Education Association.

As you probably know, these broadcasts are given each Thursday night at 9:30, over station KFKU.

Sincerely yours,

Secretary to Dr. F. C. Allen,
Director of Physical Education.
