Mr. Frederick W. Lang
Lang Foot & Arch Normalizer Co.
Forsyth, Georgia

Dear Mr. Lang:

Christmas week you wrote me and said that if I had a very good friend whom I thought would appreciate receiving an arch foot normalizer, that you would be glad to send him one for a Christmas present.

I do have that very good friend and his name is Dr. Don Carlos Peete. He is on the faculty of the School of Medicine at the University of Kansas, and a very dear friend of mine.

I would appreciate it very much if you would send him one of the normalizers. Dr. Peete is not only outstanding in his profession, but I am very sure that if he saw the benefits of your machine he would be in a position to help you in a great many ways. Therefore, if you will send him one I will appreciate it very much.

Dr. Peete's address is 531 Argyle Building, Kansas City, Missouri.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
