Messr: Gyles & Robert Heysham

Madeira 10 April 1690

Sirs

The aforegoing is coppy of our address va Barbados since which arrived the faithfull of Plymouth Captn John Salmon comander loaded 60 pipes and the Position of London Capt: John Hayes comander by whom we have letters to the 15th February but non from you of a long time Messrs Hackshaw & Compa of Lisbon writ us by the 2d ultimo advising your several remittances then com to hand and in another dat agrees tells us that you are disgusted by what you writ them wherein you say you will writ us a peace of your mind they seme to excuse themselves from having don any thing to occation it as for our part we know of nothing unless it might be that when we drew our bills in october by mentioned what we expected might be from time to time be remitted to them and us pensive they took occation to writ to you about it and many times the wording of the bussiness may give more destaist then the very thing it selfe would dol it put into other terms and I believe if you consider the method of our correspondency you wil find as free from any thing of that you lay us under suspection conscionc as any Person whatsoever we cannot say any thing as to particulars untel we hear from you which presume now on way be by Capn: Brehott if not sooner we have notice of a smal bessel of messrs Halls to returne but not advice from sd Gent themselves this wil go va Lisbon by an an of war who brings our new Governour and carryes home the old may be here in a few days

Gent.

Ditto pro June 1698

The aforegoing we confirme coppy of our last the 26th ultimo sailed hence Capn: David Brehott with 250 Pipes of wine the Britannia of London Capn Henry Martin 150 Pipes y. Dolphin Pnt of London Capn John Dawson 190 Pipes all for Barbados - great quantitys of wines gone down to y.
