July 17, 1940.

To the Registrar's Office:

Regarding the grade of Edwin Lindquist for the spring semester, 1940:

He was enrolled in 45a. Elementary Badminton for the first half of the semester, but was changed to 44a. Social Dancing and made a grade of "B".

The second half of the semester he was enrolled in 18. Varsity Athletics and made a grade of "A". The entire semester's grade averaged "A".

By error Miss Byrn handed in a grade of "Wd." for Social Dancing when it should have been a grade of "A". The grade in Miss Byrn's roll book shows "B" for Social Dancing for the first half, and this is also shown in the women's total grade book.
