Mr. John McCarley,
2035 Robson Place, N.E.,
Atlanta, Ga.

Dear Mr. McCarley:

I beg your pardon for the delay in responding to your inquiry of April 14th regarding the basketball film.

This film was made by the Eastman Kodak Company as a part of their teaching films division, and a copy of it was purchased by our Extension Division for rental purposes. I have no connection with it myself other than helping the Eastman people make the film.

"Basketball Fundamentals", the two-reel film, may be rented from the University Extension Division for a fee of $2.00 plus transportation charges. I find that the film is available on the dates you mention, May 3 and 4, and am asking them to send it to you.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
