Dr. Forrest C. Allen
Dept. of Physical Education
University of Kansas
Lawrence, Kansas

Dear Dr. Allen:

You are referred to our recent correspondence about Clarence Dunlap. He was discharged at Jefferson Barracks, Tuesday, January 8.

I have convinced him that he should resume his education as quickly as possible, and that he should go to Kansas University.

I am happy that you realize the sincere fatherly attitude I have toward this boy. You will be better enabled to understand it after you have worked with him. He has returned from the services a more desirable young man, if possible.

He has made his application to the Vetrans Bureau for the educational benefits. He is also requesting a transcript from Culver-Stockton. Will a transcript of his high school credits be necessary?

Kindly send him, at 5901 Cote Brilliante Ave, St. Louis 12, Mo., a brochure or plan of courses for a degree in Physical Education. He is planning, at the present time, to continue at least long enough to secure a Masters degree.

Sincerely Yours

Joseph J. A. Walka
