Mr. Gwinn Henry,
Director of Athletics,
University of Kansas.

Dear Gwinn:

I would love to be an honored guest at the Kansas Relays, but I would rather not serve as an official. I will have a group of high school boys here, and I believe I can do a better job of mixing with them if I do not serve as an official at the Relays.

Thanking you for the invitation, I am

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach.
