Mr. B. F. Van Alstyne,
Basketball Coach,
Michigan State College,
East Lansing, Michigan.

Dear Van:

The N.C.A.A. met and positively banned the organization which you mention in your letter of September 26th, because it is just a group of coaches who are trying to promote something of semi-A.A.U. nature.

Olsen, Bunn and all the fellows of the N.C.A.A. definitely turned thumbs down and said it would be detrimental to the N.C.A.A. set-up. Lonborg, Cox, Rupp and all those fellows have withdrawn from the organization and its activities, but their names are still carried on the stationery.

This is my confidential opinion of this organization.

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
