Mr. L. N. Flint
Department of Journalism
Kansas University
Lawrence, Kansas

Dear Mr. Flint:

My daughter and her husband arrived last evening and there will be a family party tonight at the home of Mr. and Mrs. Dolph Simons, which makes it impossible for us to accept your kind invitation to attend the dinner given to the High School Journalists.

As you are aware, Mrs. Simons is still in the hospital but we hope to be able to take her home in the near future.

Again thanking you, I remain

Very truly yours,
