"WITH THE COLORS"

Sunday 10-14, 1917

Dear Blanche,

I am just getting handy on my pins again. During my sickness I had a fever of 104-105 all the time and it took most of the pep out of me. The Doc says I can go back on duty Tuesday morning. I got

the very best of care and was treated great all around.

We had a fine dinner today - chicken, peas, potatoes, cranberry sauce, ice cream - cantaloupe slices, & cake. Last Sunday I had a cup of broth that a wooden-legged chicken dipped his toes in - and drank it thru a glass tube.

I was some sick fish.

I am ready for the
