"WITH THE COLORS"

(2)

1917

I left the hospital Monday morning. It was cold and rainy all day. I got pretty rusty on my telegraph receiving but my transmitting is a lot better.

My best luck was in getting my horse. I can hardly wait to strap a saddle on him. It will be my first time on a horse.

Please invest the 15¢ in stamps. CoA-6 bought over \$7,000 in Liberty Bonds. I signed up for \$100 to be paid at the rate of \$20 per month - 5 months.

Well I must quit & scrub some clothes.

Yours, Forrest.
