POST CARD

Sept. 2-10

Hello! I will send stamps next time you did go well this time. Was glad to get your letter with some twins. I am always to busy on Sunday in the week time I do not take the time we are here in church. We have a Rally this week (or that is what they announced) It does not come up to my idea of a rally. Hope you all Archie can come down. And spend Sat & Sun. Any way I cuse that is as long as you could set off. Come and stay as long as you have with Joe & Lily.
