When you find a friend in trouble
Pass along a word of cheer
Often it is very helpful
Just to feel a friend is near

May her voyage thru life be as happy & as free. As the dancing waves on the deep blue sea.

Dont worry about the future, The present is all thou hast, The future will soon be present And the present will soon be past.

Poetry Written by
Buddy 12 yrs old.
~~Feb~~ March 3. 1930.
Little Squirrel

Little squirrel high
in a tree,
Dropping nuts for
you and me,
Are your little ones
at rest,
In your cozy
little nest?

When you jump
from tree to tree,
Do you ever fail
to see,
A little boy with
his gun,
Who is going to
make you run

Quotations or Toasts.

When you find a friend in trouble
Pass along a word of cheer.
Often it is very helpfull.
Just to feel a friend is near.

May her voyage thru life
Be as happy and as free
As the dancing waves
On the deep blue sea.

Dont worry about the future
The present is all thou hast.
The future will soon be present
And the present will soon be past.

Here's to the bride and the bridegroom,
We'll ask for their success in our prayers,
And thru life's dark shadows and sunshine,
That good luck may ever be theirs.

If wisdoms ways you wisely seek
Five things observe with care.
Of whom you speak,
To whom you speak, and how, and when, and where.

Household Hints

Substitute for knob on kettle lid
Slip a screw thru the hole, with the head on the inside of the lid, and screw a cork on the protruding end. This knob will not get hot and can be renewed when worn or soiled.

Just a crust of bread & a corner to sleep in, a minute to smile & an hour to weep in, a pint of joy to a peck of trouble & never a laugh but the moans come double, and that is life. (Dunbar)

Household hints & Quotations

To prevent deep scratches on new shoes
Have them shined the first time you wear them. By doing this scratches will effect the surface only.

How to smooth curdled custard.
Beat up a raw egg and ~~the~~ slowly beat the curdled custard into it.

To avoid cracking the plaster when driving nails into it.
By first heating the nails in very hot water, then driving them in while wet.

Receipe
Noodles: ½ cup cream, 1 egg, salt and flour. roll thin & leave on board till dry.
Soap made of cracklings.
1 can lye, 5½ lbs. cracklings, 1 gal water, Boil 3 hours, 1 hand ful of salt to separate.
Tomato catsup.
6 peppers, 2 onions, 6 apples and 1 pk. tomatoes. cook all together and run thru seive. To each gallon add 2 cups vinegar, 2¼ cups sugar, 2½ tablespoons salt, 1 teas-cin, 1 teas cloves, 1 teas celery seed tied in a bag. in with the tomatoes also ½ teas nutmeg, ¼ mustard, ¼ ginger.
Krauth
Cut cabbage, pack in jars, add 1 teas salt and tables-water

A crust & a corner that love makes precious, with the smile to warm & the tears to refresh us, and joy seems sweeter when cares come after, & a moan is the finest of foils for laughter, & that is life.

Quotations can. from page 34

Look up and not down, look forward and not back, look out and not in and lend a hand.

Just a crust of bread and a corner to sleep in,
A minute to smile and an hour to weep in,
A pint of joy to a peck of trouble,
And never a laugh but the moans come double, And that is life.
A crust and a corner that love makes precious,
With the smiles to warm and the tears to refresh us,
And joy seems sweeter when cares come after,
And a moan is the finest of foils for laughter, And that is life. (Dunbar).

BILL OF SALE
OF PERSONAL PROPERTY

A bill of sale, describing the articles sold, amounts to a warranty that the articles conform to the description (Henshaw v. Robins, 9 Met. 83; Hastings v. Lowring, 2 Pick, 214; Chandelor v. Lopus, 1 Smith L. Gas, 76 et seq.)

The seller of a chattel, if in possession, warrants by implication that it is his own, and is answerable to the purchaser if it be taken from him by one who has a better title than the seller, whether the seller knew the defect of his title or not, and whether he did or did not make a distinct affirmation of his title. But if the seller is out of possession and no affirmation of title is made, then the purchaser buys at his peril. (Parson's Cont. 5th ed. 574.)

Dear Madam:

You say you gave a subscription to C. C. McKenney for ten weeks on June 16. We have no record of receiving this order and would like to have you send us the receipt if you have one so we can go further into this complaint.

Have you taken this up with Mr. McKenney? If not we ask that you do this and insist that he send the order in as it is impossible for us to place your subscription until we have remittance.

Yours very truly,
