Quotations con. from page 34.

Look up and not down, look forward and not back, look out and not in, and lend a hand.

Just a crust of bread and a corner to sleep in,
A minute to smile and an hour to weep in,
A pint of joy to a peck of trouble,
And never a laugh but leaves the moans come double, And that is life.
A crust and a corner that love makes precious,
With the smiles to warm and the tears to refresh us,
And joy seems sweeter when cares come after
And a moan is the finest of foils for laughter, And that is life. (Dunbar).
