Mr. Jude Anderson,
Chief of Police,
Lawrence, Kansas.

Dear Chief Anderson:

Thank you very much for your very kind letter of the 26th instant. I can understand perfectly the reason for moving the cars, and know that with such a crowd in town you were working under a handicap.

I might suggest that in the future the "no parking" signs could be placed along the street early in the morning when the officers are not so busy, and then the drivers would have ample warning.

This might also be true in the fall when the crowds come for the football games. I notice at times there is great congestion on the streets.

Again thanking you for your very kind letter, and with best wishes, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
