Kansas City, Mo.

Dear Harry:

This is to inform you that I called Mr. Clyde McBride, giving him the information regarding our inviting Missouri as a guest for the two games in Municipal Auditorium January 29 and 30.

You can take this letter as an invitation to Missouri to participate, and we of course will divide share and share alike with Missouri and the other teams on the income of the two nights after expenses of the teams have been met.

Very cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
