Dr. Allen

Dear Sir:

About 2 weeks ago I found the middle front entrance door unlocked when I came to work. and there was 3 fellows in the heat gym. there been 2 times lat I have found your entrance door to your office wide open. yesterday morning the south west entrance door was unlocked and a colored fellow was in the building this morning the same door was unlocked. I have hesitated about reporting these things thinking they would get better.

Respt

Bailey.
