St. Louis, Missouri

Dear E.J.:

Thank you very much for sending me the clipping from the New York Times.

We had a splendid trip and although we only won one out of three games, the educational value of our trip was beyond question. However, the boys had the flu and are still having it.

We have no great outfit this year due to the fact that we lost some of our key men last year and have not been able to replace them.

Thank you again for your thoughtfulness in sending me the clipping.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
