Dear Mr. Copp:

Your letter to Dean Raymond Schwegler has been referred to me for reply.

We have a position open in our Department of Physical Education but it is one that I'm sure would not appeal to you on account of rather moderate salary. However, should anything develope that I feel you would be interested in, would be very happy to communicate with you.

Thank you for your credentials.

Sincerely yours,

Director of Physical Education and
Recreation--Varsity Basketball and
Baseball Coach.
