I have a four week refresher course then back to 7 Day school week again. I kind of hate to start that over again But knowledge never hurt anyone — "Is they tell me" I often wonder —

They have a Football team here and have started practicing Basket ball But I can't play because I am in air cadet training — and I don't mind griping about it —

My Commanding Officer — Sh Conroy was quite an athlete in his Day — He was on that famous line Fordham had back in 28-29 past, played end — I saw the picture in his Office But forgot the name the line was called — quite a line.

Thanx it heard from Armand Kitan for quite a while — How you? — If you know it he is
