Dear Mr. Hofstetter:

We are still anxiously awaiting the three Wrestling Mat Covers which we ordered from your firm in August, our Purchase Order Voucher No. 729.

Your Mr. Milton Scheuer wrote us on September 11th saying that the covers would be shipped on or about September 20. They have not been received to date, and since we conduct physical training classes for both Army and Navy trainees we need these as soon as possible.

I will greatly appreciate your personal attention to this matter.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
