Mr. L. A. Brooks,
1332 Louisiana St.,
Lawrence, Kansas.

Dear Friend Brooks:

Miss Dunkel's party was a great success at the Union Building last night and you contributed very definitely to the pleasant time had by all.

Frankly, to me the party looked so well organized that had not our soft ballers helped with the program I think it would have been a dandy, anyhow. You will remember that I told you down at the baseball field that it would really be fun, and I think each and everyone of us found it that way.

Nevertheless, I want to thank you for carrying on for us. I told Miss Dunkel I could get some really personable athletes and he-men to mix with the wallflowers, and that was done very emphatically. I owe you my especial thanks, and if you have a favor that I can do for you, do not hesitate to call on me. It will be a pleasure to reciprocate. The mere fact that you did respond and did deliver the goods is ample evidence that you are a fellow to be depended on. I am very proud of my octet.

With appreciation and continued good wishes, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
