a wing on "D" day also. Have had quite a bit of success since coming over here. In my last raid, I lead the entire 8th Air Force and I guess I'm going to get the D.F.C. for it. Anyway, it was quite an honor and I was quite ~~fatter~~ flattered when I was chosen.

I see the G.I. Bill of Rights passed so maybe I will be a student at K.U. again if I'm not too old by the time the war is over. I had my 24th Birthday just last month.
