stiff and ached. At the
end of the period - 2:00 P.M. -
I took off my shoe. The
toe of the sock was red
and a little skin came with
it ~~and~~ I took it off. My foot
was a little swollen and
sure felt sore. I went up to
the hospital, with another
fellow with frozen ears, in
a cycle-car and got fixed up.
Saturday morning it was
swollen so I couldn't get
my shoe on at all so had
to cut a couple slits in
my tennis slipper. I worked
in the kitchen until 4:30 P.M.
helping the N.P. and at night
I managed to get my shoe on
so caught a car to town.
This morning the swelling
