Republic of Cuba
Department of Education
National Commission of Physical Education

(POST OFFICE ADDRESS AT THE END)

Havana, Sep. 25, 1940.

Rector (or President) of the Institution.

Dear Sir:

On July 25 ult. I had the honour of writing you a letter, similar to this one, and to this date I Haven't had the pleasure of your answer, supposing that yours or mine has been mislaid.

As I am extremely interested in the best official organization in my country (Cuba) about the different aspects of Health and Physical Education in general terms, both for boys and girls, I beg you to please send me at the POSTAL ADDRESS MENTIONED BELOW, all rules, circulars, pamphlets, booklets, books and other dispositions existing in force on that Institution, relative to the following, regarding all and each one of the various school classifications (Kindergarten, Elementary Schools, Secondary Schools, Junior High Schools, High Schools and College, or in other words, for the activities of children, youngsters, adolescents and adults):

1)----Command of Groups.----2)----School Games.----3)----Gymnastics, in its various systems, methods and plans.----4)----Sports, in different classes.----5)----Athletics-Track.----6)-Direction, Administration, Inspection and control of the different aspect or problems of the Health and Physical Education in general.

Besides the foregoing I am very interested in receiving any rules, circulars, pamphlets, booklets, books or other dispositions existing in force in your Institution regarding the following:

a)----Legal, moral, intelectual, physical and vocational requisites required for aspirants to become Physical Education Professors.----b)----Teaching Schools for aspirants.----c)----Plan of Studies taught on such schools, divided by school-years.----d)----Programs corresponding to such studies.----e)----Organization and operating system of such schools.

Finally I would very much appreciate to have as many rules, circulars, pamphlets, booklets and books as could possibly be sent to me about school hygiene and general health education.

Hoping to be favoured with an early reply, in an integral form, and begging you to accept the gratitude of the Educational Authorities of my country and my thanks, I am, Sir, Yours respectfully:

(A. Naranjo A.)
TECHNICAL ASSESSOR

COMISION NACIONAL DE EDUCACION FISICA Y DE DEPORTES
