"WITH THE COLORS"

Sat. Jan. 5. 1917

Dear Marie,

The dates came fine and sure were good. I was afraid that they were lost. There is Ja Bassett in the Co. C-6th. F. Bn. S. C., and he got one of your letters but brought it down to me unopened. I think if you make the Co. "A" with a printed "A" some of our nearsighted mailmen wont make mistakes. Thanks to you for the sweets. "Jeri" says he never eats such truck but will have apples instead. My hair is growing slow but sure. You remember how very short it was
