Dear George:

I was very happy to receive your letter this morning, and to know that you are spending some time at home before you come up to school next month. We shall be very glad to have you here, and when you come to Lawrence I hope you will stop in the office to see me.

I am enclosing a letter which I wrote you early in August and sent down to Judkins, Texas, but which was returned to this office the other day.

Also, I am sending you a copy of the letter that I have sent to all members of our varsity basketball squad so that you may see how we encourage the boys to keep up their training during the summer months. I thought you might be interested in reading this letter.

Looking forward to seeing you next month, and with all good wishes, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
