1918.

I have been transferred to the First Section. This section does more actual field work than the 5th section, which moves about very little in real service. The section-chief, Sergeant Baber, is the telegraph instructor of the Company. He sure is a fine fellow and is some operator a bright. Corporal Abrahms, with whom I rode as far as Chi., Thanksgiving, is also in this section. The "First" is probably the leading section in the Company and I sure am glad to get in it.

I had to take my three triple-typhoid inoculations all over again as the old record was lost at the hospital. This differs from a vaccination as the serum is injected with a hypodermic needle. I am not going to argue vaccination
